Empowered Series by Adam Warren Empowered can be described as an original English-language manga written and illustrated by Adam Warren. Described by Warren as a "sexy superhero comedy", Empowered began to take shape in 2004 with a series of commissioned sketches of a damsel in distress; these illustrations became the basis for short comic stories that helped develop the character. Empowered - Volume 5 Page 16 Might have to try that out again in current Empowered pages, as Lord knows that "WHOOSH" certainly reappears on a regular basis during vol. 11's many, many fight scenes. Panel 5: I don't think the use of the wee cartoony Ninjette head inside her word balloon, here, would be well-suited to a wholly serious depiction of Emp in genuine peril. Empowered - Volume 4 Page 8 For the record, I'm using the page numbering from the volumes, hence the jump from Volume 4 pages 2-3 to Volume 4 page 8. Otherwise, the webcomic numbering and the book pages referring to immediately fall out of sync, which becomes annoying as hell.
